DISCOVER THE THRILL OF THE ICE

Edifying. Captivating. And deeply moving. The ice art of Antarctica is among the world's most singular sights. The Antarctic ice sheet is the most distinctive feature of Earth as seen from space—as described by every astronaut's account. And the ice is what makes every Antarctic explorer vow to return. It's visually stunning and nearly kaleidoscopic in its variety of

PERFECT PLATFORM FOR EXPLORATION

National Geographic Explorer

TRAVEL WITH AN A+ EXPEDITION TEAM

You'll travel with the top team plying polar waters. The ship's captain and officers have decades of experience navigating Antarctic expeditions, confirming they have the expertise and confidence to safely conduct guests through the full range of polar weather and sea conditions. With a profound love for the polar geographies, the captain and his team ensure that spontaneity and memorable moments remain expedition hallmarks.

The unparalleled expedition team is key to your in-depth experience. An expedition leader, naturalists/historians, undersea specialist, professional photographer, certified photo instructor, video chronicler, and wellness specialist all contribute to your experience of the wonders. The generous expedition staff-to-guest ratio of 1:10 means more choice in activities and more diverse personalities and interests to which you can gravitate. Their guidance and enthusiasm make this Antarctica expedition uniquely informative and fun.

TAKE GREAT PHOTOS WITH THE PROS

Unique in the world of travel, our expedition photography program offers guests of every skill and interest level unrivaled photography opportunities—including a top world-class professional photographer aboard. Plus, a certified photo instructor is on hand to help you understand your camera settings, the basics of composition, and wildlife behavior. Then, test the latest high-end photo gear, on loan from B&H Photo Video. Now, every guest—from smartphone camera users to semi-pro shooters—can stand side-by-side
