Your Accommodations (subject to change)

Within arm's reach of the culture-rich Veneto and Emilia Romagna regions lies Borgo San Donino, a charming farmhouse on the Selva Capuzza estate. The property is a testament to its independence.

The farmhouse apartments, winery, and nearby restaurant are the result of many years of dedicated work, and provide award-winning wines, delightful accommodations, and generous hospitality for all who visit.

Stroll the grounds and you might see grape vines being carefully tended by hand or olives ripening for the estate's own olive oil, just steps away from tables where the harvest is reincarnated in signature wines and local dishes. The Selva Capuzza winery produces a wonderful selection of varietals—red, white, and rosé, all under the careful expertise of the property's skilled vintners.

Visit the nearby San Martino Tower to admire its majesty from the inside and out. Then follow the tree-lined road to the Chapel of San Martino, which guards many of the fallen from the battle.

After a day's adventures, restore your senses amidst the comfortable atmosphere of your apartment—inspired, as you will be, by the beauty of Northern Italy's landscapes.

What Guests Are Saying...

I loved how this trip gave me a more personal view of Italy through conversations with locals and family-run food vendors. I've studied abroad in Italy and have been on vacation there with family, but this was a unique experience. I loved our guide and the off-the-beaten path tour. It felt like I had a friend showing me around.

The variety and content of each excursion was excellent and made the trip so enjoyable. Our guide was absolutely excellent—extremely knowledgeable, timely, friendly, easy to relate to and made the sites/experiences so real and understandable. For me, she made the trip perfect.
